Before you Go

Unable to travel because you're sick? Kids making up their snow days on the first day of family vacation? No problem! Trip Cancelation coverage keeps you from losing your vacation savings if you need to cancel for a covered reason. Want to plan additional activities before you get there? Our Concierge Services can help you make restaurant reservations, order flowers, arrange tee times and more at your request.

During your Vacation

Even when everything goes right, vacations can be a stressful time: making flights, renting cars,

traveling with young children, finding activities ... the last thing you need is something to go wrong. But if it does, CSA Vacation Rental Insurance can help you keep your cool. With coverage for Baggage Delay, Emergency Assistance and Transportation, Trip Interruption and more, you can focus on the more important things. Our designated assistance provider can even help with the smaller issues that can plague travelers, such as medical referral and replacement of medication or eyeglasses.

After you're Home

CSA strives to keep our claims process as hassle-free as possible. You will have a dedicated claims representative working with you from start to finish, making sure you receive the responsive, friendly service you need. As identity theft can be a bigger concern while traveling, Identity Theft Resolution Services are included and offer you six months of service after your scheduled departure date.

Email us back if you would like to have this included in your reservation.
